

**At Inter-Faith Ministries (IFM), we are committed to uniting people of all faiths to ensure each and every resident of our great city has access to shelter, food and other basic needs.**

In addition to operating three homeless shelters and three affordable apartment complexes, we offer wrap-around support services to help struggling individuals and families address their challenges and pull themselves out of poverty. More than 1,400 men, women and children stayed at one of IFM's homeless shelters last year. We served an additional 14,000+ low-income Wichitans through Operation Holiday, the city's largest holiday assistance program which provides food, coats and winter wear, blankets, pet food, toys, and more to low-income individuals and families each year.

*Thank you*  
for supporting struggling  
local families with your  
donation!

Donated items may be dropped off in our office lobby Mon- Fri, 8:30am-5pm, located at 829 N. Market, Wichita, KS 67214.
